ROSÉLYS

BISTRONOMIE

Welcome to **Rosély**s, an evolutive bistro experience that evolves from morning to evening to the rhythm of local flavours and Chef Maxime Delmont's daily inspiration. Inspired by the French and English influences of Montreal's heritage, the establishment is a wink to the city's golden years.

The creative dishes and welcoming and luminous atmosphere are ideal for any occasion, from a casual business lunch to a grand family dinner, not to mention the scrumptious Sunday brunch and Afternoon tea. See life through Rosély-s coloured glasses!

NACARAT

PLAISIRS LIQUIDES

The atmosphere draws its inspiration from the fusion between the glam rock era of Ziggy Stardust and the modernity of the 21st century. Sensual and sophisticated, the bar transcends an electrifying energy. Its name designates vibrant shades of orange-red. Behind the counter, artists master liquids as chefs do with food.
